

## Academic Advisors Availability-April 27-May 8, 2015

In order to better serve students, specific times and days, as noted below, have been scheduled for academic advisors to be available to help students prepare class schedules for the 2015 summer trimester. Students requiring a master's, bachelor's or mixed DC schedule must make an appointment with their advisor to register for classes. You may schedule an appointment by signing the posted sign-up sheet on your advisor's office door or by emailing or calling your advisor. Email addresses and phone numbers are listed below. Appointment availability is dependent upon faculty member's academic obligations. The Academic advising schedule over break is listed at the bottom. All students in the new curriculum who are going to be on a mixed schedule for summer 2015 trimester need to see Ms. Anna Schowalter for academic advising.
