

		BASIC SCIENCES	CHIROPRACTIC PERFORMANCE-BASED CURRICULUM
Pre-Clinical	Trimester 1	Biochemistry, Gross Anatomy, Histology/Cell Biology, Spinal Anatomy	Chiropractic Philosophy, Professional Development, Spinal Analysis
	Trimester 2	Biochemistry, Gross Anatomy, Microbiology, Neuroanatomy, Physiology	Chiropractic Philosophy, Core Adjusting Techniques (Diversified), Professional Development
	Trimester 3	Embryology, Microbiology, Pathology, Physiology, Public Health	Chiropractic Philosophy, Core Adjusting Techniques (Logan Basic and Diversified), Orthopedics, Professional Development
	Trimester 4	Nutrition, Pathology, Physiology	Chiropractic Philosophy, Core Adjusting Techniques (Logan Basic and Diversified), Fundamentals of Diagnostic Imaging, Neuromusculoskeletal Diagnosis, Orthopedics, Professional Development

		CLINICAL EXPERIENCES	CHIROPRACTIC PERFORMANCE-BASED CURRICULUM	CLINICAL SCIENCES	RESEARCH
Clinical	Trimester 5	Health Center Practicum	Biomechanics, Core Adjusting Techniques (Logan Basic and Diversified), Professional Development	Cardiorespiratory Diagnosis, Diagnostic Imaging, Laboratory Diagnosis, Physical Diagnosis, Radiographic Positioning, Toxicology	
	Trimester 6	Health Center Practicum	Core Adjusting Techniques (Diversified), Jurisprudence, Patient Communication Skills, Principles of Physical Therapy, Professional Development	Clinical Chiropractic Reasoning, Diagnostic Imaging, Ears-Eyes-Nose and Throat, Neurology, Pediatrics, Physical Diagnosis	
	Trimester 7	Health Center Practicum	Specialized Elective Technique, Principles of Physical Therapy, Professional Development	Diagnostic Imaging, Endocrinology, Gastrointestinal-Urogenital Diagnosis, Geriatrics	Research Methodology

		CLINICAL EXPERIENCES	CHIROPRACTIC PERFORMANCE BASED CURRICULUM	CLINICAL SCIENCES	RESEARCH
Advanced Clinical	Trimester 8	Health Center Practicum	Athletic Injuries, Billing and Documentation, Chiropractic Case Management, Principles of Physical Therapy, Professional Development, Specialized Technique	Clinical Nutrition, Dermatology, Diagnostic Imaging, Obstetrics/Gynecology, Rheumatology	Senior Research Project
	Trimester 9	Health Center Practicum	Business Management Capstone, Office Management, Orthopedics, Professional Development, Specialized Technique	Clinical Chiropractic Reasoning, Diagnostic Imaging, Ears-Eyes-Nose and Throat, Neurology, Pediatrics, Physical Diagnosis	Senior Research Project
	Trimester 10	Health Center Practicum, Clinical Rotations, Optional Preceptorship and Hospital Rotation	Specialized Elective Technique, Principles of Physical Therapy, Professional Development	Clinical Nutrition, Clinical Psychology, Differential Diagnosis, Geriatrics	Senior Research Project
