

June 1, 2015

Office of the President

Dear Colleague,

Our Chiropractic College along with approximately fifteen other chiropractic programs, is conducting a survey of our graduates from the years 2008, 2010, and 2012. If you are a 2008 or 2010 graduate, you had the opportunity to take a similar survey two years ago. We value your input and look forward to comparing your class's current results to that of two years ago. We have designed this survey so that you can inform us of your preparedness for and satisfaction with chiropractic practice. We are also requesting that you provide demographic and practice information so that we can compare our graduates' practice characteristics to those from other chiropractic colleges.

To complete the survey, please log onto our college website at [Logan.edu/Alumni](http://Logan.edu/Alumni) and click on "Alumni Survey". Please follow the directions at the site.

If you would prefer to complete a paper copy of the survey please call 315-568-3271 and request that a copy be mailed or faxed to you. Patricia Merkle, Quality Engineer in the Institutional Effectiveness department at New York Chiropractic College, is coordinating these joint efforts.

The survey will be open for only one month. Responses are anonymous and will need to be completed by July 6, 2015.

Thank you in advance for completing the survey. The feedback you provide will be most valuable to the College as we seek to continually improve the quality of our academic programs.

Sincerely,

Clay McDonald, DC, MBA, JD  
President
