

Cheryl Hawk, DC, PhD, CHES

EDUCATION

PhD, Department of Preventive Medicine, University of Iowa, 1991; thesis title:
"Prevention and Control of Pediatric Agricultural Injuries: Evaluation of a
Community-Oriented Health Education Intervention"

MS, Department of Preventive Medicine, University of Iowa, 1988

DC, Doctor of Chiropractic, National College of Chiropractic, Lombard, Illinois, 1976

BS, Human Biology, National College of Chiropractic, Lombard, Illinois, 1974

AB, English, University of Illinois, Chicago Circle, 1971

PROFESSIONAL LICENSURE

Chiropractic, State of Iowa license #5042 and State of Kansas license #5166

ADDITIONAL CERTIFICATION

CHES, Certified Health Education Specialist, National Commission for Health
Education Credentialing, 1991

CWP, Certified Wellness Practitioner, National Wellness Institute, 2010

PROFESSIONAL EXPERIENCE

Professor and Director of Clinical Research, Logan College of Chiropractic, 2010-
current

Professor and Vice President of Research and Scholarship, Cleveland Chiropractic
College, December 2005-2010

Professor and Dean of Research, Southern California University of Health Sciences,
2005-2005

Professor and Senior Researcher, Parker Research Institute, Parker College of
Chiropractic, 2003-2005

Director of Chiropractic Sciences Program, Division of Graduate Studies, Palmer
College of Chiropractic, 2002-2003

Professor, Palmer College of Chiropractic, 2001-2003

Acting Director, Clinical Research Program, 2000-2002

Acting Director, Palmer Research Clinic, 1999-2000

Director of Assistance and Training, Consortial Center for Chiropractic Research,
cooperative agreement funded by the National Center for Complementary and
Alternative Medicine of the National Institutes of Health, 1997-2002

Program Director, Palmer Practice-Based Research Program, 1996-2003

Associate Professor, Palmer Center for Chiropractic Research, Palmer College of
Chiropractic, 1996-2001

Assistant Professor, Palmer Center for Chiropractic Research, Palmer College of
Chiropractic, 1993-96

Assistant Research Scientist, University of Iowa, Institute of Agricultural Medicine and
Occupational Health, 1991-93

Research Assistant II, University of Iowa, Institute of Agricultural Medicine and
Occupational Health, 1990-91

Graduate Research Assistant, University of Iowa, Department of Preventive Medicine and Environmental Health, 1988-90

Instructor (adjunct faculty), Kirkwood Community College, 1983-86

Chiropractic Physician, private practice, Chicago, Illinois; Berkeley, California; and Cedar Rapids, Iowa, 1976-89

GRANTS & CONTRACTS (PRINCIPAL INVESTIGATOR/PROJECT DIRECTOR)

Externally Funded Projects

Consensus Process to Develop a "Best Practices" Document on the Role of Chiropractic Care in Health Promotion, Disease Prevention and Wellness. October 2010-September 2011. Grant funded by National Chiropractic Mutual Insurance Company.

Consensus Process to Develop "Best Practices" Document for Chiropractic Care for Older Adults. August 2009-March 2010. Grant funded by National Chiropractic Mutual Insurance Company.

Consensus Process to Develop "Best Practices" Document for Chiropractic Care for Children. August 2008-July 2009. Grant funded by Foundation for Chiropractic Education and Research.

Pilot Study: Does Chiropractic Care Decrease Fall Risk in Older Adults? April 2007-April 2009. Grant funded by Foundation for Chiropractic Education and Research.

Randomized Controlled Trial of Two Approaches to Chiropractic Care for Chronic Pain. April 2005-December 2005. Contract funded by Morte Health Systems to Parker Research Institute.

K30 Clinical Research Training Curriculum. September 2002-September 2007. Grant funded by the National Center for Complementary and Alternative Medicine of the National Institutes of Health. (Co-Director)

Survey of Chiropractors' Attitudes toward Public Health-Related Topics. October 2001-March 2002. Grant funded by the Foundation for Chiropractic Education and Research.

Research Agenda Conference. September 2002-2003. Contract funded by U.S. Health Resources and Services Administration Bureau of Health Professions.

Practice-Based Research Program. August 1996-2003. Grant funded by the Bechtel Family Foundation.

Development of a Manual Placebo. November 2001-November 2002. Grant funded by the Consortial Center for Chiropractic Research sponsored by the National Center for Complementary and Alternative Medicine of the National Institutes of Health.

Multisite Pilot of Chiropractic for Chronic Pelvic Pain. September 1998-September 1999. Grant funded by the Consortial Center for Chiropractic Research sponsored by the National Center for Complementary and Alternative Medicine of the National Institutes of Health and the National Chiropractic Mutual Insurance Company.

A Model Geriatrics Course for Chiropractic Students. September 1998-September 2001. Subcontract with University of Iowa's Geriatric Education Center from a grant funded by U. S. Health Resources and Services Administration.

National Workshop to Develop the Chiropractic Research Agenda IV: Research Training Conference II. September 1998-September 1999. Contract funded by the U.S. Health Resources and Services Administration.

National Workshop to Develop the Chiropractic Research Agenda III: Research Training Conference, Co-Director. September 1997-September 1998. Contract funded by the U.S. Health Resources and Services Administration.

National Workshop to Develop the Chiropractic Research Agenda, Conference II, Co-Director. September 1996-September 1997. Contract funded by the U.S. Health Resources and Services Administration.

National Workshop to Develop the Chiropractic Research Agenda, Co-Director. September 1995-September 1996. Contract funded by the U.S. Health Resources and Services Administration.

Chiropractic Geriatric Education. September 1995-September 1996. Contract funded by the U.S. Health Resources and Services Administration.

Development of Continuing Education Programs on Interdisciplinary Practice for Chiropractors. July 1995-July 1996. Contract funded by the U.S. Health Resources and Services Administration.

Establishing Interdisciplinary Chiropractic Preceptorship Programs in Rural Areas; July 1995-July 1996. Contract funded by the U.S. Health Resources and Services Administration.

Surveillance of Musculoskeletal Injuries in Rural Iowa. October 1994-August 1995. Conducted in collaboration with the University of Iowa Injury Prevention Research Center funded by the Center for the Protection of Workers' Rights and the National Institute of Occupational Safety and Health (NIOSH).

The Role of Chiropractors in the Delivery of Interdisciplinary Health Care in Rural Areas. September 1994-September 1995. Contract funded by the U.S. Health Resources and Services Administration.

Studying and Demonstrating the Efficacy and Cost Effectiveness of Chiropractic Health Care as a Remedy for Federal Workers' Low Back Pain. October 1993-March 1994. Contract funded by U.S. Office of Personnel Management.

Internally Funded Projects—Principal Investigator

Establishing a Practice-Based Research Network. December 2010-November 2011.

The Relationship of Heart Rate Variability to High-Level Health and Wellness. September 2010-August 2011.

Cohort Study of Long-term Outcomes of Chiropractic Care for Patients Aged 65 and Older. July 2009-July 2012.

Measuring Function in Older Adults. September 2008-August 2009.

Practice-Based Research: Assessing Fall Risk and Function in Older Adults. September 2008-June 2009.

Chiropractic Maintenance Care Pilot Program. March 2008-December 2008.

Chiropractic Maintenance Care Pilot Study: a Practice-Based Research Project. January 2008-September 2008.

Effect of Chiropractic Care on Older Adults with Chronic Pain. February 2007-February 2009.

Development of a Practice-Based Research Program. August 2006-August 2007.

Feasibility study of the effect of chiropractic manipulation on balance in older adults. July 2006-March 2007.

Development of a Practice-Based Research Program. September-December 2005.

The Effect of Chiropractic Care on Balance in Community-Dwellers Aged 60 and Older. November 2004-February 2005.

Factors Affecting Balance Among the Community-Dwelling Elderly. July 2004-December 2004.

Smoking as a Vital Sign. June 2004-February 2005.

Pilot Study Evaluating "Chiropractors Against Tobacco" Project, April 2004-September 2004, collaboration with World Federation of Chiropractic.

Effectiveness of Chiropractic Care including Behavioral Counseling for Smoking Cessation, January 2004-September 2004.

Patient Perceptions of Standardized Chiropractic Adjustments. October 2001-September 2002

Preliminary Study of Chiropractic Care for Women with Premenstrual Syndrome. July 2000-March 2001

Feasibility Study for the Development of a Manual Placebo. September 1999-March 2000

Establishment of a Chiropractic Clinical Registry and Treatment Program. July 1999-December 1999

A Reliability Study of Chiropractic Assessment Procedures. April-June 1998

A Feasibility Study for a Clinical Trial of Chiropractic Techniques for Treatment of Patients with Migraine Headaches. July 1997-February 1998

A Survey of U.S. DCs on Complementary Health Care Practices. January-July 1997

Feasibility Study for a Randomized Clinical Trial on the Effect of Chiropractic Care on Chronic Pelvic Pain in Women. August 1995-January 1996

A Qualitative Study of Non-Users of Chiropractic Services Using Focus Groups. March-September 1994

A Clinical Epidemiology Service for Chiropractors. January 1994-August 1995

Development of a Patient-Centered Instrument for the Assessment of Global Well-Being: a Study of Reliability, Validity, and Clinical Responsiveness. November 1993-April 1994

A Survey of U.S. Chiropractors on Primary Care and Prevention-Related Issues. June 1993-December 1993

A Cross-Sectional Study of Patients with Musculoskeletal Injuries Seeking Treatment at Palmer College of Chiropractic's Teaching Clinic. May 1993-July 1993

AWARDS

Inclusion in "Top 10 People in Integrative Medicine/Integrated Health Care from 2010," *The Integrator*.

"Person of the Year," Council on Chiropractic Guidelines and Practice Parameters, 2010.

Drugless Hall of Fame Award, Parker College of Chiropractic, 2010.

Fellow of the International College of Chiropractors (FICC), 2009.

Researcher of the Year Award, Foundation for Chiropractic Education and Research, 2005

Researcher of the Year Award, American Chiropractic Association, 2002

Distinguished Service Award, American Public Health Association, Chiropractic Health Care Section, 2001

Palmer College Faculty Achievement Award, 1997, 1998, 2001, 2002
Faculty of the Year, Palmer College of Chiropractic, 1995
Scientific Paper Award, International Conference on Spinal Manipulation, 1994
Certificate of Achievement, Palmer Alumnae Association, 1994
Iowa Safety Council scholarship, 1991
National Rural Health Association Rural Health Research Scholarship Award, 1990
Kellogg Foundation Fellowship, 1989-90
Department of Preventive Medicine Research Assistantship appointment, 1987-90

PROFESSIONAL/ACADEMIC SERVICE

Member, Research Working Group, Academic Consortium for Complementary and Alternative Health Care, 2010-ongoing
Editor, *Topics in Integrative Health Care*, 2010-ongoing
Editor, *Journal of Clinical Chiropractic Pediatrics*, 2009-ongoing
Faculty for MS Program in Health Promotion, Cleveland School of Graduate Studies, 2009-2010
Chair, Scientific Commission, Chiropractic Council on Guidelines and Practice Parameters, 2007-ongoing.
Advisory Committee, Curriculum Development in Evidence Based Practice (NIH R 25 grant to National University of Health Sciences), 2005-ongoing.
Adjunct faculty, University of Alabama, 2005-2010.
Institute of Evidence-Based Chiropractic, member, 2005-ongoing.
Task Force Member, the Identity of the Profession Consultation, World Federation of Chiropractic, 2004-5.
Team Lead, Wellness, non-musculoskeletal conditions and special populations, Chiropractic Council on Guidelines and Practice Parameters, 2004-2007.
National Advisory Committee for Interdisciplinary, Community-Based Linkages of the U.S. Health Resources and Services Administration, 2003-2005
Advisory Panel, Allied Health Center for Excellence in eHealth Promotion Programs for Underserved Populations, Thomas Jefferson University 2003-2004
Chair, Wellness Implementation Committee, Parker College of Chiropractic, 2003-2005
Steering Committee, Chiropractic Clinical Research Training Curriculum, Palmer Center for Chiropractic Research, 2003-2007
Chair, Wellness Integration Committee, Parker College of Chiropractic, 2003-ongoing
Editorial Board, *Clinical Chiropractic*, 2003-ongoing
Editorial board, *J Amer Chiropractic Assoc*, 2002-ongoing
Curriculum Development Committee, Palmer College of Chiropractic, 2002-2003
Wellness Campaign Core Committee, American Chiropractic Association, 2001-2009
Healthcare and Wellness Development Committee, Palmer College of Chiropractic, 2000-2002
Academic Leadership Team, Palmer College of Chiropractic, 2000-2001
Curriculum Committee, 2000-2001
Faculty Incentive Committee, 2000
Faculty of the Year Committee, 2000
Membership Chair, Chiropractic Health Care Section, American Public Health Association, 2000-2002

Director's Council of Scientific and Health Advisors, Iowa Dept. Public Health, 1999-2001
Iowa Board of Health, 1999-2002
State Preventive Health Advisory Committee, 1999-2002
Conference Planning Committee, National Workshop to Develop the Chiropractic Research Agenda, Conference VI, 2000-2001
Palmer Educational Philosophy Task Force, 1999
Faculty Promotion Committee 1999
Conference Planning Committee, National Workshop to Develop the Chiropractic Research Agenda, Conference V, 1999-2000
Chair, Public Health Curriculum Task Force, Chiropractic Health Care Section, American Public Health Association, 1998-2001
Chair, Faculty Development Subcommittee of the Curriculum and Educational Policies Committee, 1998-1999
Curriculum and Educational Policies Committee, 1997-1999
Planning Committee, Cross Program on Integrative Learning Conference, University of Maryland Department of Medical and Research Technology, 1996-1997
Advisory Committee, Interdisciplinary Training for Health Care in Rural Areas Project, University of Maine, 1996-1997
Advisory Committee, Chiropractic Geriatrics Education Project, Palmer College of Chiropractic 1996-1997
Acting Chair, Palmer Ad Hoc Committee for Public Health Planning, 1997
Editorial Board, *J Manipulative and Physiological Therapeutics*, 1997-ongoing
Grant Reviewer, U.S. Health Resources and Services Administration Interdisciplinary Training for Health Care in Rural Areas Grant Program, 1996-1997
Chair, Palmer Research Seminar Series, 1996-1997
Chair, Faculty of the Year Committee, Palmer College of Chiropractic, 1996
Secretary, Chiropractic Health Care Section, American Public Health Association, 1996-1998
Reviewer, National Rural Health Association Research Scholarship Award Competition, 1995-1997
Program Chair, Chiropractic Health Care Section, American Public Health Association, 1995-96
Iowa Primary Care Collaborative Task Force, Iowa Department of Public Health, 1995-1997
Iowa Rural Health Association, Advisory Board, 1995-96
Faculty Promotion Committee, Palmer College of Chiropractic, 1994

TEACHING/ADVISING

Community Health and Wellness Promotion, Logan College of Chiropractic, 2010-present.
Practicum Advisor, MS student in Clinical Research (Palmer Division of Graduate Studies), 2010
Epidemiology and Health Promotion, Chiropractic Program, Cleveland Chiropractic College, 2009-2010.

Introduction to Health Promotion, MS Program in Health Promotion, Cleveland School of Graduate Studies, 2009-2010.

Thesis committee member, PhD student (health promotion; U of AL), 2007-2010

Wellness Concepts, Chiropractic Program, Parker College of Chiropractic, 2003-2004

Health Promotion and Wellness (continuing education, chiropractors), 2002-ongoing

Introduction to Research Proposal Writing (continuing education, chiropractors, 2001-2002)

Critical Appraisal of the Scientific Literature, (chiropractic students), 2000-2001

Medical Sociology (B.S. students) 1994-1995

Introduction to Research Methods, (chiropractic students), 1993-5

Homeostatic Physiology, (community college students), 1985-1986

Introductory Nutrition, (community college students), 1984-1986

Thesis committee member, PhD student (health promotion; U of AL), 2003-2005

Thesis Advisor, MPH student (health education; U of WA), 2002-2003

Thesis Advisor, Master's in Epidemiology student (U of IA), 2001-2003

Thesis Advisor, MPH student (U of NC, Chapel Hill), 1998-1999

Thesis Advisor, Master's in Hospital Administration student, 1993-5

PUBLICATIONS

INVITED PAPERS

Hawk C. Are we asking the right questions? *Chiropr J Australia* 2007;37(1):15-18.
