

2014 Summer Doctor of Chiropractic Degree

Direct and Indirect costs are based on a 15-week trimester.

Direct Cost of Attendance

Actual costs you will pay directly to Logan University. If you are receiving financial aid, it will be applied directly to these costs first.

<u>Components</u>	<u>Flat Rate 12 Hours or Greater</u>
Tuition*	\$9,160
Fees**	\$165

*Doctor of Chiropractic students enrolled in 16 or fewer hours are charged \$590 per credit hour.

**Fees include Student Activity, Parking, Graduation and Technology.

<u>Trimester</u>	<u>Fee Description</u>	<u>Costs</u>
Trimester 5 & 8	Clinic Entrance Fee	\$85

Indirect Cost of Attendance

Estimated costs for other educational expenses. These include a moderate cost of living. Although these costs will vary by student, you are encouraged to create a monthly budget. Some expenses such as credit card debt, car payments, and costs for other family members are not considered in your educational expenses.
