## JOB POSTING

Logan University is comprised of the College of Chiropractic and the College of Health Sciences and blends the perfect balance of tradition with innovation. Established in 1935, Logan College of Chiropractic is one of the largest and most respected chiropractic colleges in North America. Through the College of Health Sciences, Logan offers master's degrees in sports science and rehabilitation, and nutrition and human performance that are accredited by the Higher Learning Commission of North Central. Other program offerings include undergraduate coursework including an Accelerated Science Program to help students complete their basic science coursework at an accelerated pace, offered in both online and on-campus formats, and two baccalaureate degrees- A Bachelor of Science degree in Human Biology and a Bachelor of Science degree in Life Science.

Logan's 112-acre wooded campus is located in Chesterfield, MO, a quiet residential suburb of St. Louis. Its low student-to-faculty ratio provides more personalized instruction, which is most conducive to effective learning. MSNBC has selected Logan's campus as an editor's pick of one of "America's Most Beautiful College Campuses." Logan offers an outstanding benefits package to eligible employees including free chiropractic care. Learn more about Logan University at [www.logan.edu](http://www.logan.edu).
