

LOGAN UNIVERSITY

JOB POSTING

Logan University is comprised of the College of Chiropractic and the College of Health Sciences and blends the perfect balance of tradition with innovation. Established in 1935, Logan College of Chiropractic is one of the largest and most respected chiropractic colleges in North America. Through the College of Health Sciences, Logan offers master's degrees in sports science and rehabilitation, and nutrition and human performance that are accredited by the Higher Learning Commission of North Central. Other program offerings include undergraduate coursework including an Accelerated Science Program to help students complete their basic science coursework at an accelerated pace, offered in both online and on-campus formats, and two baccalaureate degrees- A Bachelor of Science degree in Human Biology and a Bachelor of Science degree in Life Science.

Logan's 112-acre wooded campus is located in Chesterfield, MO, a quiet residential suburb of St. Louis. Its low student-to-faculty ratio provides more personalized instruction, which is most conducive to effective learning. MSNBC has selected Logan's campus as an editor's pick of one of "America's Most Beautiful College Campuses." Logan offers an outstanding benefits package to eligible employees including free chiropractic care. Learn more about Logan University at www.logan.edu.

Job Title: Chemistry Faculty **Full Time exempt**

Position Summary:

This position provides instructional support for courses in the College of Health Sciences programs. The duties include, but are not limited to the development of syllabi, assessment of student learning outcomes, participation on thesis committees as well as instructional responsibilities. Content and instructional expertise in General Chemistry, Organic Chemistry and Biochemistry is expected.

Job Functions:

1. Incorporating the mission of Logan University into division objectives and classroom instruction, focusing each classroom experience on student learning.
2. Accountability to students and administration with respect to quality in education.
3. Incorporating current profession information into class presentations.
4. Coming to class prepared and on time, using class time effectively and maintaining professional conduct in the classroom.
5. Preparing an updated syllabus prior to the beginning of courses according to the standard Logan University format. All information (course objectives, reading assignments, testing, grading, etc.) contained in the syllabus must be clearly stated and not ambiguous. All administrative and classroom deadlines must be met.
6. Refraining from making pejorative statements regarding the university, fellow faculty or staff personnel in the presence of students or patients.
7. Academic advising and counseling of students maintaining regular office hours.
8. Preparing tests that have sound instructional value with accurately measured and well-defined objectives. Evaluation should not be ambiguous and should appropriately represent the information presented in the course.
9. Establishing and maintaining a classroom atmosphere conducive to learning.

10. Comfortable and proficient in online course instruction.
11. Responsible to treat colleagues, staff, and students in a professional manner.
12. All courses should have a required course text unless exempted by the administration.
13. Participation in faculty meetings, workshops and college ceremonies.
14. Accountable to report to the Program Director if he/she will be absent or unable to attend the class.
15. Notifying appropriate Logan personnel of damage to Logan property. Should report problems that affect any aspect of the university to the program director or appropriate department.
16. Read, understand and follow all Faculty Handbook information and policies.
17. Other instructional duties as assigned by program director or the Dean.

Competencies:

To perform the job successfully, an individual must be dependable and have good inter-personal and communication/organization skills and the ability to interact effectively with students, faculty, and staff.
