Equal Opportunity Employer M/F/V/D

Job #: 1813

Job Title: Chemistry Instructor

Date Open: 05/07/2013

Department: Basic Science

Status: Full-Time; Exempt

Job Duties and Responsibilities:

We seek an individual for a full-time faculty position to teach lecture and laboratory sessions in General and Organic Chemistry within our Accelerated Science Program and to participate in the continuing growth of the undergraduate programs within the University. The position begins September 1, 2013.

Qualifications:

We seek a candidate with a strong academic background, demonstrated ability and excellence in teaching, and a commitment to teamwork and programmatic improvement. The individual must possess a Ph.D. in Chemistry or related field and must have at least five years of successful teaching experience in higher education.
