Purchase Recommendation of Library Materials

The Library welcomes suggestions for the acquisition of materials, which support the mission of Logan University Programs and the Learning Resources Center. Depending on the nature of the request, purchase suggestions may be reviewed by the LRC Review Committee in light of the library's collection development policies and budget allowance. You will receive a follow up regarding the status of your request by email from the LRC Director.

Before submitting a request, please check the [library's catalog](#) to determine whether the material you want is already owned by the library.
