

Welcome to MOBIUS

Logan University Library welcomes you to:
MOBIUS – Missouri Bibliographic Information User System.

What's in it for me?

- ✓ Internet access to the online catalogs of Logan and 60+ other college and university libraries in Missouri
- ✓ Ability to place holds on books from participating libraries and have them sent to you at the library of your choice
- ✓ Ability to **“View Your Library Account”** and renew materials (need your 9 digit student number), (**review list after renewing to insure completion of all renewals**).
- ✓ Ability to borrow books in person from participating libraries (need Logan I.D. card)
- ✓ Ability to return books borrowed from participating libraries to Logan Library.

Need to Know...

<http://bridges.searchmobius.org/search~S6> or
<http://www.logan.edu> - **Click on “Learning Resources Center” at the left side menu, then choose “Library Catalog.”**

Your access point for the Logan University Library catalog, and the MOBIUS catalog.

Logan is part of a “cluster” of local libraries called “Bridges”.

Your Logan I.D. card will serve as your library card at any of the “Bridges” libraries: Covenant Seminary, Fontbonne, Harris-Stowe, Kenrick-Glennon Seminary, Lindenwood, Logan, Maryville, Missouri Baptist, and Webster University/Eden Seminary.

All other participating libraries will allow you to borrow in person. You will need to know your 9 digit student number, and that you are part of the “Bridges” cluster.

Students: In order to **“View Your Library Account”**, place holds, and renew materials, you will need your “Campus I.D.”. It will be your 9 digit student number, plus LCC, e.g., 123456789lcc. **Review list after renewing to insure completion of all renewals.**
