Student Health Insurance

The individuals listed below are brokers who can assist you in finding a health insurance plan which is best suited for your needs. They will research plans which meet your needs and fit your budget. It is important to remember the annual open enrollment runs from November 15 until February 15 unless there is a qualifying event. Qualifying events include:

- Going off parents’ policy at age 26
- Moving to another state
- Getting married or divorced
- Having a baby

Please contact any of the brokers listed below with questions.
