

LOGAN UNIVERSITY

Logan Legacy Award Policy

The Logan Legacy Award recognizes graduates and their alumni family members who were instrumental in the graduate choosing to carry on their family member's legacy of attending Logan University. These strong family ties are a testimony to the value that our graduates and their families have placed in Logan as they refer their closest relatives to follow in their educational footsteps. The current graduate and their qualifying family member will be recognized in the graduation program and at the graduation awards ceremony.

During the graduation awards ceremony, the qualifying family member and graduate will receive a framed certificate acknowledging their "Logan Legacy" status and the graduate will receive a special adornment to be worn with their Regalia to denote their Legacy status during the graduation ceremony. Graduates should submit the application form to LoganLegacy@logan.edu at least eight weeks prior to graduation.

To be honored as a Logan Legacy, the alumni must be:

- A graduate of Logan University prior to the current graduate entering Logan University
- The current graduate's parent (step), grandparent (step), sibling (step), child (step) or spouse.
