Compliant Procedures

Administrative Grievance.

A member of USAPP may file a complaint pertaining to any matter within the cognizance of Logan, including but not limited to any alleged violation of or grievance concerning

- any Logan USAPP rule or regulation,
- any provision of Logan USAPP policies
- or any provision of the Act relating to Logan's recognition as an HPMO such as;

Opportunity to Participate

Any athlete, coach, trainer, manager, administrator or official may file a complaint pertaining to any alleged denial, or alleged threat to deny, of that individuals opportunity to participate in a Logan USAPP sanctioned competition.

Code of Conduct Violation

The Logan USAPP Conduct Committee shall maintain, and the Director of USAPP shall promulgate the Logan USAPP Code of Conduct on the USAPP page on Logan's website. Logan shall receive and hear complaints of violations of the Code of Conduct and will provide fair notice and opportunity for a hearing to any athlete, coach, trainer, manager, administrator, or official before declaring the individual accused of such violation.

Manner of Filing

The complainant shall file the complaint addressed to the Director of USAPP at Logan, who shall inform the needed parties in Logan's current reporting structure of the complaint and assign the complaint to the Logan USAPP Conduct Committee for process.

The complaint shall set forth in typed, clear and concise language, preferably in numbered paragraphs (see Appendix A for complaint form):

- the complainant's name, full contact information
- the name of the defendant (complaints against organizations shall name the organization, not an individual)
- specifics of the nature of alleged violation
- where the alleged violation occurred
- when the alleged violation occurred
- the circumstances under which the alleged violation occurred
- how the alleged violation impacts the complainant
- the remedy requested by the complainant
- a narrative describing the allegation; and
- the complainant's signature

Hearing Panel

Upon the timely and complete filing of a complaint, the chair of the Logan USAPP Conduct Committee, after consultation with the other Logan USAPP Conduct Committee members, shall appoint a Hearing Panel consisting of three (3) individuals to hear the complaint.

Panelists may be from the Logan Committee with subject matter expertise/jurisdiction over the matter at issue. The Logan USAPP Conduct Committee shall also appoint a Hearing Panel Chair. Logan USAPP Conduct Committee members may be appointed to and serve on the Hearing Panel. Other disinterested individuals identified by the Logan USAPP Conduct Committee may also be appointed to and serve on the Hearing Panel.

At least one (1) member of the Hearing Panel shall be an Athlete.

Members of the Hearing Panel need not be members of USAPP which is governed by Logan or involved in the sport of Para Powerlifting.

Conduct of the Proceeding

The Hearing Panel (“the Panel”) shall initially meet and decide whether the filing meets the minimum standards for a sufficiently filed complaint and rule on whether the complaint may go forward.

If the complaint is insufficient, the Panel shall provide a written opinion to the Complainant explaining its decision and whether the complaint may be corrected and re-filed (a dismissal without prejudice) or whether the complaint may not be re-filed (with prejudice) providing justification for its opinion.

If the complaint is not dismissed, the Hearing Panel shall notify the named defendant if any, and the defendant shall have 30 days to respond to the complaint with a sufficiently stated response that refutes the complaint.

Failure to respond shall be grounds for the Panel to grant a default judgment to the complainant with a remedy determined by the Panel.

Upon receipt of the defendant’s response, the complainant shall have 30 days to respond. After receipt of the complaint, defendant’s response and complainant’s response to defendant, the Panel may decide based on the filings if in the Panel’s discretion the filings are sufficient, and the parties agree to such a procedure.

If the Panel concludes that a hearing is warranted, the Panel shall a schedule a hearing on the complaint. The Hearing Panel shall set such timelines and other rules regarding the proceeding and the conduct of the hearing as it deems necessary.

The hearing shall be informal, and the rules of evidence will not be strictly enforced, except that testimony shall be taken under oath.

If necessary or convenient to the parties, the hearing may be conducted by tele or web conference.

Each party shall have the right to appear personally or through a legal representative.

All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument.

Members of the hearing panel shall have the right to question witnesses or the parties to the proceeding at any time.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party.

The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript

Fair Process Considerations

In any hearing conducted, the parties shall be provided with the following:

- notice of the charges or alleged violations, with specificity and in writing, and possible consequences if the charges are found to be true;
- reasonable time between receipt of the notice of charges and the hearing with respect to the charges, within which to prepare a defense;
- notice of the identity of adverse witnesses provided in advance of the hearing;
- the right to have the hearing conducted at such a time and place so as to make it practicable for the person charged to attend;
- a hearing before a disinterested and impartial body of fact finders;
- the right to be assisted in the presentation of one's case at a hearing, including the assistance of legal counsel, if desired; however, all fees shall be paid by the party seeking assistance of legal counsel;
- the right to present oral and written evidence and argument;
- the right to call witnesses to testify at the hearing, including the right to have individuals under the control of an adverse party attend; and to confront and cross-examine such individuals;
- the right to have a record (i.e., transcript) made of the hearing (In this regard, the reporter shall be paid for by the party requesting the reporter; and a copy of any transcript shall be provided to the other party upon payment of half of the cost. Any transcript ordered by a party shall be made available to the Hearing Panel upon request of the Hearing Panel);
- the burden of proof shall be on the proponent of the charge, which burden shall be by "at least a preponderance of the evidence," unless an applicable rule of law provides for a higher burden of proof;
- a written decision, with reasons therefore, based solely on the evidence of record, handed down in a timely fashion; and
- a written notice of appeal procedures, if the decision is averse to the person charged, and the prompt and fair adjudication of any appeal.
- first avenue of appeal shall be to the Logan USAPP Conduct Committee en banc (all Committee members shall review the decision) who shall meet after reviewing record and the Panel's decision. After its review Logan USAPP Conduct Committee shall inform the parties and the Panel whether it upholds the Panel's decision or whether it will hear the appeal.
- except in extraordinary circumstances, which shall be documented and detailed in the Logan USAPP Conduct Committee decision, the appeal shall be over process and the Panel's interpretation of rules and procedure. Findings of fact by the Panel generally shall not be subject to appeal.

- a second and final appeal within Logan are subjected to Logan’s general processes (those not specific to the sport). This information can be found at www.logan.edu

Complaints Involving Selection to Participate in a Competition

Where a complaint is filed involving selection of an individual to participate in a competition, the complainant shall include with the complaint a list of all other individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint.

The Hearing Panel shall determine which additional individuals must receive notice of the complaint. Logan shall then be responsible for providing appropriate notice to these individuals. Any individual so notified then shall have the option to participate in the proceeding as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the Hearing Panel, even if the individual chose not to participate as a party.

Decision

A decision shall be determined by a majority of the Hearing Panel. The Hearing Panel’s decision shall be in writing and distributed to the parties. A catalogued record of all Hearing Panel and Appellate decisions and remedies shall be kept in the official records of Logan, available to public review and research. Although not absolutely binding, consistent interpretation of rules, violations and remedies require Hearing Panels and Appellate Panels to refer to said catalogued decisions for guidance in matters before them.

Arbitration

Per the Act and the USOC Bylaws, certain parties subject to these Bylaws may bring a grievance to the American Arbitration Association.
