AUTHORIZATION AND ASSIGNMENT TO PAY PHYSICIAN:

I hereby authorize the doctor to furnish you the information and evidence in the doctor's possession regarding my history and physical condition. I hereby authorize the release of any medical information necessary to process this claim and you are instructed to pay directly to the doctor, at the doctor's office, for all diagnostic and professional services rendered to me. This instruction to you is an assignment of my rights under medical coverage to the extent of this bill. Any sum of money paid under this assignment shall be credited to my account and I shall be personally liable for any unpaid balance to the doctor. Also, I am personally liable for any unpaid amounts for diagnostic imaging services. In the event you should make payment directly to me, I agree that I will become personally liable for all charges submitted to you for payment. I fully understand that I am directly and fully responsible to said doctor for all diagnostic and professional bills submitted for services rendered to me and that such payment is not contingent on any settlement, judgment, or verdict by which I may eventually recover said fees. Medicare regulations do not require x-rays and will not pay for these services.
