

Where Paralympic Journeys Begin

Logan's Parapan American Games Reward Program

Historically occurring during the third year of the quad, the Parapan American Games is one of the largest multi-sport events for athletes with disabilities. Governed by the Americas Paralympic Committee, the event host athletes from the countries of North and South America.

As the High Performance Management Organization (HPMO) for USA Para Powerlifting, Logan University is dedicated to celebrating and supporting the athletes that have earned slots to compete at the Parapan American Games.

To show this support Logan has created the following prize money system for athletes that qualify for, compete in and place in the top six (6) in their weight class at the Parapan American Games.
