3.2. Team Selection

- a. National Team Standards Qualification for the Team will be based on comparison published in 2018 National A, B and Emerging Team standards (Attachment A). Only valid lifts at the Selection Event will be evaluated against the National A, B and Emerging Team standards:
- i. All an athlete's valid lifts at the Selection Event will be entered consideration.
 - ii. Athletes will only be evaluated and considered for a weight category(s) in which they have demonstrated a valid lift at a Selection Event.
 - iii. Evaluation of valid lifts will begin only after the final Selection Event has concluded.
- b. Selection Rounds
- Selection rounds will occur as follows:
- i. First-round nominations will be those athletes who achieve a National A standard, in order of highest 3 percentage (rounded to one tenth of a percent) lift as compared to said standard up to fifteen (15) athletes.
 - ii. If slots remain, second-round nominations will be those athletes who achieve a National B standard, in order of highest percentage (rounded to one tenth of a percent) lift as compared to said standard.
 - iii. If slots remain, third-round nominations will be those athletes who achieve a National Emerging standard, in order of highest percentage (rounded to one tenth of a percent) lift as compared to said standard.
 - iv. If slots remain, final round nominations will be those athletes who meet the MQS for their respective weight category at the Selection Event.

If an athlete has lifted in multiple weight categories and would be selected in each category, without tie-breaker, due to valid lifts that meet the National A, B and/or Emerging standard, then that athlete shall only be selected to the Team in the weight category with his/her highest percentage lift as compared to the relevant National A, B and/or Emerging standard.

All selection round nominations will be evaluated in accordance to the gender stipulations listed in Section 1.3.

- c. Tie-Breaking Procedures – Same Weight Category

 - ii. If a tie persists, the athletes' next best lifts, expressed as a percentage of the relevant National A, B or Emerging standard, will be compared. This step shall be repeated with the 3rd best lift, and so on, if necessary, until there are two (2) athletes nominated.
- d. Tie Breaking Procedures – Different Weight Category
 - i. If only one team slot remains and two or more athletes in different weight categories meet the same team standard, then the athlete with the highest percentage (rounded to one tenth of a percent) lift as compared to 4 the relevant standard will be nominated. If the tie falls under section 1.3.1.b.iv above (MQS criteria), the relevant lifts will be compared to the National Emerging standard to create the percentage.
 - ii. If a tie persists, the relevant lift percentages will be rounded to one hundredth of a percent. This step shall be repeated, rounding to one-thousandth of a percent, and so on, if necessary, until one athlete is nominated. Note: Funding tiers for those athletes selected to the Team based on the criteria above are set forth in Attachment B2.add in from page 2- top of 4 ends at discretionary selection

UNITED STATES OLYMPIC COMMITTEE COMPLAINT PROCEDURES FOR U.S. PARALYMPIC NATIONAL TEAMS AND U.S. PARALYMPIC PROGRAMS January 7, 2008

Section 1. Jurisdiction.

These Complaint Procedures are applicable to those Paralympic sports in which the USOC has not recognized a National Governing Body or a Paralympic Sport Organization to govern the sport. Only matters concerning those Paralympic sports fall within the jurisdiction of these Complaint Procedures.

Section 2. Designation of Complaints.

The following kinds of complaints may be filed with the USOC:

- a. Administrative Grievance. The USOC or any aggrieved individual may file a complaint pertaining to any matter relating to the cognizance of the USOC, including but not limited to any alleged violation of or grievance concerning any USOC rule, regulation or code of conduct.
- b. Right to Compete. Any athlete, coach, trainer, manager, administrator or official may file a complaint pertaining to any alleged denial, or alleged threat to deny, of that individuals opportunity to compete in a USOC sponsored competition.

Section 3. Manner of Filing.

The complainant shall file the complaint with the USOC Chief Executive Officer. The complaint shall set forth in clear and concise language, preferably in numbered paragraphs: (i) the alleged violation, grievance, denial or threat to deny and (ii) the remedy requested. The complainant shall sign the complainant.

Section 4. Statute of Limitations.

A complaint filed under these Complaint Procedures shall be filed within one hundred and eighty (180) days of the occurrence of the alleged violation, grievance, denial or threat to deny.

Section 5. Field of Play Decisions.

The final decision of a referee during a competition regarding a field of play decision (a matter set forth in the rules of the competition to be within the discretion of the referee) shall not be reviewable through the procedures for, or the subject of, Administrative Grievances or Right to Compete Complaints unless the decision is: (i) outside the authority of the referee to make or (ii) the product of fraud, corruption, partiality or other misconduct of the referee. For purposes of this Section, the term “referee” shall include any individual with discretion to make field of play decisions.

Section 6. Hearing Panel.

Upon the filing of a complaint, the USOC Chief Executive Officer shall appoint a hearing panel consisting of three (3) individuals to hear the complaint. The Chief Executive Officer shall also appoint a chair of the hearing panel from among the three individuals appointed. At least one member of the hearing panel shall be an athlete.

The Hearing Panel shall be responsible to ensure that all complaints are heard in a timely, fair and impartial manner.

Section 7. Administration.

The USOC General Counsel’s Office shall generally administer and oversee all administrative grievances and right to compete matters filed with the USOC.

Section 8. Conduct of the Proceeding.

The hearing panel shall rule on all motions and other matters raised in the proceeding. If the complaint is not dismissed, the hearing panel shall hold a hearing on the complaint. The hearing panel shall set such timelines and other rules regarding the proceeding and the conduct of the hearing as it deems necessary. The hearing shall be informal, except that testimony shall be taken under oath.

The hearing may be conducted by teleconference, if necessary or convenient to the parties. Each party shall have the right to appear personally or through a legal representative. All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument. Members of the hearing panel shall have the right to question witnesses or the parties to the proceeding at any time.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript.

Section 9. Expedited Procedures.

Upon the request of a party, and provided that it is necessary to expedite the proceeding in order to resolve a matter relating to a competition that is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the USOC Chief Executive Officer is authorized to order that the complaint be heard and decided within forty-eight (48) hours of the filing of the complaint. In such a case, the hearing panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Section 10. Complaints Involving Selection to Participate in a Competition.

Where a complaint is filed involving selection of an individual to participate in a competition, the complainant shall include with the complaint a list of all other individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The hearing panel shall determine which additional individuals must receive notice of the complaint. The complainant shall then be responsible for providing appropriate notice to these individuals. Any individual so notified then shall have the option to participate in the proceeding as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the hearing panel even though the individual chose not to participate as a party.

Section 11. Decision.

A decision shall be determined by a majority of the hearing panel. The hearing panel's decision shall be in writing, shall state the reasons for the decision and shall be distributed to the parties.

Section 12. Arbitration.

Any party may appeal a decision of the hearing panel to the American Arbitration Association. The arbitrator appointed by the American Arbitration Association shall have the authority to hear the matter anew or if requested by a party to render a decision on a more limited review. Either party may submit the decision of the hearing panel to the arbitrator for the arbitrator's consideration. The arbitrator may give whatever weight or authority to the hearing panel's decision as the arbitrator deems appropriate.
