How to Install Office Applications from Office 365

1. Open a web browser and go to http://outlook.com/logan.edu
2. Login with your Logan email address and current password.
3. Click the picture icon (may be your initials) in the upper right corner of the page and select “My Account”.

4. Select “Apps & devices” from the menu on the left and then click the “Install Office” button on the right.

5. Follow the onscreen instructions to complete the installation.
