

A photograph of a Logan University campus. On the left is a modern building with large glass windows and a sign that reads "PURSER DC CENTER". In the background, a tall, white, lattice-structured bell tower stands against a blue sky with light clouds. In the foreground, there is a green lawn with some trees and a small fountain with multiple water jets.

The background of the entire page is a photograph. On the left side, there are branches with many yellow maple leaves in sharp focus. To the right, a white building with a lattice-like tower structure is visible but out of focus. At the bottom of the image, there are some red leaves, possibly from a different tree.

Where Leaders
Are Made –

Be challenged.

Be mentored.

Become the health care
innovator you've always
known you could be.
