PURPOSE

The USOPC has developed medical requirements to ensure the safety of athletes during Games (Olympic, Paralympic, Pan American and Para Pan American, etc.). This policy addresses equipment requests and minimum standards for all NGBs and medical providers attending games.

POLICY

1. Requests

NGBs must identify medical support requests to the USOPC Sports Medicine department. These requests must specify any supplies, equipment, and other medical support provided at the Games. Anti-doping concerns or comments should also be identified. Collected information will be reviewed by the USOPC Managing Director of sports medicine who will then identify and communicate the level of support to be provided by USOPC Sports Medicine. Any changes to the requested sports medicine support should be immediately forwarded to USOPC Sports Medicine. In cases where medical services or materials are not identified, the USOPC cannot guarantee support for additional or late requests because of time, budget and other factors.

2. NGB Health Care Providers

NGBs must nominate and allocate Games credentials to NGB identified health care provider(s) to support the NGB sports medicine needs during the games. Any potential NGB medical provider who could be nominated to provide services must be identified by the NGB no later than the due date for the respective Games Long List. Additionally, all NGB medical providers must meet the criteria as identified in the NGB’s approved Additional Officials Selection Procedures, along with the additional criteria outlined below.

The medical staffing list will include anyone who will potentially be credentialed by the NGB and/or use a day pass to provide services at an Olympic/Paralympic Village or a High Performance Training Center. Health care providers must meet minimum qualification standards which are identified below by their specialty without exception. NGBs must ensure their identified medical staff can meet these standards prior to advancing their nomination for a Games credential or day pass access. If the provider is not licensed in the United States, they may be ineligible to be credentialed. In order to meet expected standards of care and mitigate risk management issues, selected provider(s) must meet the below minimum qualifications in addition to the Selection Procedures criteria to provide medical services at games. These qualifications include:

1) Meet all criteria identified in the USOPC Volunteer Program Application for specific specialty (Attachments located at www.teamusa.org/medicalvolunteer). On occasion, specific supporting documentation will be requested at the discretion of USOPC Sports Medicine.
2) Successfully pass a medical credential review and criminal background check at or above USOPC standards with the National Center for Safety Initiatives (NCSI)
3) Review of the venue emergency action plan with USOPC Sports Medicine staff prior to the first scheduled practice or event.

Any party notified of the Complaint as a potentially affected party shall be bound by the decision of the Hearing Panel, even if he or she chooses not to participate.

The Hearing Panel shall initially meet and decide whether the filing meets the minimum standards for a sufficiently filed complaint and rule on whether the complaint may go forward.

If the complaint is insufficient, the Hearing Panel shall provide written opinion to the complainant explaining its decision and whether the complaint may be corrected and refiled (a dismissal without prejudice) or whether the complaint may not be re-filed (with prejudice) providing justification for its opinion.

If the complaint is not dismissed, the Hearing Panel shall notify the named defendant (within 14 days for receiving the complaint) if any, and the defendant shall have 30 days to respond to the complaint with a sufficiently stated response that refutes the complaint.

Failure to respond shall be grounds for the Hearing Panel to grant a default judgement to the complainant with a remedy determined by the Hearing Panel.

Upon receipt of the defendant’s response, the complainant shall have 30 days to respond. After receipt of the complaint, defendant’s response and complainant’s response to defendant the Hearing Panel may decide based on the filing if the Hearing Panel’s discretion the filing sufficient, and the parties agree to such a procedure.

If the Hearing Panel concludes that a hearing is warranted the Hearing Panel shall schedule a hearing on the complaint. The Hearing Panel shall set such timelines and other rules regarding the proceeding and the conduct of the hearing as it deems necessary.

The hearing shall be informal, and the rules of evidence will not be strictly enforced, except that testimony shall be taken under oath.

If necessary or convenient to the parties, the hearing may be conducted by tele- or webconference.
Each party shall have the right to appear personally or through a legal representative.

All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument.

All parties shall have the evidence distributed to them for inspection within a reasonable time to prepare their respective positions.

Member of the hearing panel shall have the right to question witnesses or the parties to the preceding at any time.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party.

The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript.

**Fair Process Considerations**

In any hearing conducted, the parties shall be provided with the following:

- Reasonable time between receipt of the notice of charges and the hearing with respect of the charges, within which to prepare a defense;
- Notice of the identity of adverse witnesses provided in advance of the hearing;
- The right to have the hearing conducted at such a time and place as to make it practicable for the person charged to attend;

- A written notice of appeal procedures, if the decision is adverse to the person charged, and the prompt and fair adjudication of any appeal;
- First avenue of appeal shall be to the POD’s Ethics or Judicial Committee (depending on which committee has jurisdiction over the filing) en banc (all Committee members shall review the decision) who shall meet after review record and the Panel’s decision. After its review the POD’s Ethics or Judicial Committee shall inform the parties and the Hearing Panel whether it upholds the Hearing Panel’s decision or whether it will hear the appeal.
- Except in extraordinary circumstances, which shall be documented and detailed in the POD Ethics or Judicial Committee’s decision, the appeal shall be over process and the Hearing Panel’s interpretation of the rules and procedure. Findings of fact by the Hearing Panel generally shall not be subject to appeal.
- A second and final appeal with the POD is subjected to Logan’s general process (those not specific to the sport of Paralympic Powerlifting in the United States). This information can be found at www.logan.edu.
Complaints Involving Selection of Participate in a Competition
Where a complaint is filed involving selection of an individual to participate in a competition, the complainant shall include with the complaint a list of all other individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The POD’s Judicial Committee (as set forth in section 9.15 of the POD handbook) shall determine which additional individuals must receive notice of the complaint. The POD shall then be responsible for providing appropriate notice to these individuals. Any individual so notified shall have the option to participate in the proceeding as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the Judicial Committee, even if the individual chose not to participate as a party.

Decision
A decision shall be determined by a majority of the Hearing Panel. The Hearing Panel’s decision shall be in writing and distributed to the parties. A catalogued record of all Hearing Panel and Appellate decisions and remedies shall be kept in the official records of the POD, available to public review and research. Although not absolutely binding, consistent interpretation of rules, violations and remedies require Hearing Panels and Appellate Panels to refer to said catalogued decisions for guidance in matters before them. Decisions will be made not later than 90 days after the initial filing of the complaint. Should the Hearing Panel need more time due to the nature of the complaint, they shall inform the parties prior to the expiration of the three-week time frame.

Expedited Procedures
The POD’s Ethic or Judicial Committee shall provide an expedient review of a grievance involving an urgent or emergency situation. This process is as follows:

This process shall include all request by Members concerning selection procedures, code of conduct violations, and/or Athlete Safety/US Center of SafeSport violations. The request for an expedite review may be submitted by the Member verbally to the Executive Director of Paralympic Operations. In the expedited review process, all necessary information, including POD’s Ethic or Judicial Committees decision, shall be transmitted between the POD and the Member by telephone, email or the most expeditious method. The POD’s Ethic or Judicial Committee shall make a decision and notify the Member as expeditiously as the matter requires, but in no event more than seventy-two (72) hours after the review is requested. The POD’s Ethic or Judicial Committee shall provide written confirmation of its decision concerning an expedite review within two (2) working days of providing notification of that decision, if the initial notification was not in writing. The written decision shall be in the form of a Notice. The Notice, which will be sent first class mail, shall contain the following information:

The name(s), title(s) and qualifying credential(s) of the person(s) participating in the grievance review process;

A statement of the reviewer's understanding of the grievance;

The reviewer's decision in clear terms and the contract basis or the rationale in sufficient detail;

A reference to the evidence or documentation used as the basis for the decision; and An explanation of how to request a reconsideration of a grievance review decision

Arbitration
Per the Act and the USOPC Bylaws, certain parties subject to these Bylaws may bring a grievance to the American Arbitration Association

Anti-Retaliation Statement
In many instances, the POD must rely on individual staff and/or members of the sport(s) it manages and governs to report to the appropriate POD staff cases where it appears that a member or members of the POD and its sport(s) community are not complying with applicable law or policy. A major deterrent to such reporting is the fear that the person or persons against whom the report is made will retaliate against the person making the report. The purpose of this statement is to clearly articulate that the POD prohibits retaliation against those who make bona fide reports of
possible non-compliance. The POD’s, administrators, and staff shall not intimidate or take retaliatory action, against any member of the POD and its sport(s) community or a relative of such a person, who makes a report in good faith and without malice. This statement also prohibits persons from knowingly and intentionally making a report of noncompliance that is false.
