## CHIROPRACTIC HEALTH CENTERS

### **10<sup>th</sup> Annual Joseph W. Howe Oration in Diagnostic Imaging**

### **“Innovations in Diagnostic Imaging”**

#### **Presented By:**

**Terry R. Yochum, DC, DACBR, Fellow, ACCR, FICC**

**James M. Cox, I, DC, DACBR, FICC**

**Norman W. Kettner, DC, DACBR, FICC, DCBCN**

**Thursday, May 25, 2017  
10:30 a.m.—11:30 a.m.  
William D. Purser, DC Center  
Logan University  
1851 Schoettler Road  
Chesterfield, Missouri**

## **JOSEPH W. HOWE, DC, DACBR, Fellow, ACCR**

There are few members of the American Chiropractic College of Radiology whose careers have been as influential as that of Joseph W. Howe, DC, DACBR. For more than six decades, Dr. Howe, has distinguished himself by his contributions as a clinician, radiologist, educator, researcher, and mentor in the field of modern chiropractic radiology. His passion for academic excellence, critical scientific insight and professional advancement has left an indelible impact on the chiropractic profession. His influence is felt daily by the numerous residents, whom he has trained, and who themselves have become inspirational leaders in the chiropractic profession. Today, Dr. Howe still enjoys what he cherishes the most, teaching, as he routinely shares his vast clinical and radiological knowledge base with interns and residents at Logan University.

Dr. Joseph W. Howe has given the American Chiropractic College of Radiology and the chiropractic profession a legacy of unparalleled achievement as a role model and mentor for several generations of chiropractic radiologists. His name will always be associated with the incredible progress of chiropractic radiology in the 20<sup>th</sup> century. The Joseph W. Howe Oration in Diagnostic Imaging is designed to honor his extensive contributions to and achievements in the education, research and practice of chiropractic radiology.

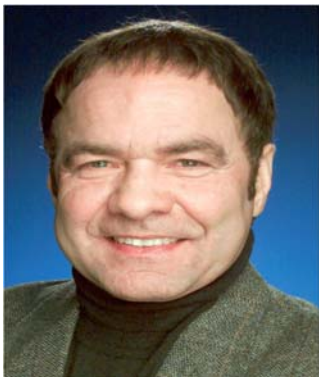

***Terry Robert Yochum, DC, DACBR, FICC***

Dr. Terry R. Yochum is a second-generation chiropractor and a cum laude graduate of the National College of Chiropractic, where he subsequently completed his radiology specialty. He is a Diplomate of the American Chiropractic Board of Radiology and served as its Vice-President and President for seven years (1983-1990). Dr. Yochum has presented more than 1,000 lectures worldwide and published over 200 scientific articles in both the chiropractic and medical literature. He is currently Director of the Rocky Mountain Chiropractic Radiological Center in Denver, Colorado, and an Adjunct Professor of Radiology at the Southern California University of Health Sciences (formerly LACC). Dr. Yochum's Oration is titled "Magnetic Resonance Imaging of a Junior Olympic Soccer Star".

***James M. Cox, I, DC, DACBR, FICC***

James M. Cox, DC, DACBR is a board certified chiropractic radiologist and clinician who specializes in the study of the mechanism, diagnosis and treatment of spine pain. As such he has participated in federal funded National Institute of Health and Health Resources and Services Administration studies in the biomechanics of normal and aberrant spine function and the clinical outcome of medical care versus chiropractic spinal manipulation for the relief of spine pain. These studies have been in collaboration of the Loyola Stritch School of Medicine, Hines Veteran's Administration hospital, Palmer college of Chiropractic and the National University of Health Sciences. Dr. Cox is the developer of a specialized form of spinal manipulation named Cox Flexion Distraction Decompression manipulation. His textbook **Low Back Pain: Mechanism, Diagnosis and Treatment** is in its 7th edition and published by Lippincott Williams & Wilkins company. Certification for honors level application of Cox technic is approved through National University of Health Sciences. Dr. Cox's Oration is titled "Chiropractic Distraction Spinal Manipulation on Post Surgical Continued Low Back and Radicular Pain Patients: A Retrospective Case Series".

***Norman W. Kettner, DC, DACBR, FICC***

Dr. Kettner is Professor and Chair of the Department of Radiology at Logan University. He has served on the faculty since 1980. Dr. Kettner was elected president of the American Chiropractic College of Radiology in 1991. Over the course of his career, he has authored numerous publications in the field of chiropractic radiology and functional neuroimaging including papers in prestigious journals such as NeuroImage, Human Brain Mapping, Pain and Brain. He received ACA's Academician of the Year in 2005, Researcher of the Year in 2008 and was awarded the 2016 ACA Presidential Award. Dr. Kettner's Oration is titled "Imaging Horizons: Functional Brain Dynamics in Health and Disease".

### **Past Speakers**

- May 26, 2016** Joseph W. Howe, DC, DACBR, Fellow, ACCR
- May 28, 2015** Victor Tong, DC, DACBR
- May 29, 2014** Lawrence H. Wyatt, DC, DACBR, FICC
- May 30, 2013** Anita L. Manne, DC, DACBR
- May 31, 2012** John A. M. Taylor, DC, DACBR
- May 26, 2011** Victor Tong, DC, DACBR
- April 8, 2010** Sharon A. Jaeger, DC, DACBR
- April 2, 2009** Reed Philips, DC, DACBR, PhD
- April 3, 2008** Terry R. Yochum, DC, DACBR, Fellow, ACCR, FICC  
James M. Cox, I, DC, DACBR, FICC  
Norman W. Kettner, DC, DACBR, FICC, DCBCN
