Chesterfield, Missouri

JOSEPH W. HOWE, DC, DACBR, Fellow, ACCR

There are few members of the American Chiropractic College of Radiology whose careers have been as influential as that of Joseph W. Howe, DC, DACBR. For more than six decades, Dr. Howe, has distinguished himself by his contributions as a clinician, radiologist, educator, researcher, and mentor in the field of modern chiropractic radiology. His passion for academic excellence, critical scientific insight and professional advancement has left an indelible impact on the chiropractic profession. His influence is felt daily by the numerous residents, whom he has trained, and who themselves have become inspirational leaders in the chiropractic profession. Today, Dr. Howe still enjoys what he cherishes the most, teaching, as he routinely shares his vast clinical and radiological knowledge base with interns and residents at Logan University.

Dr. Joseph W. Howe has given the American Chiropractic College of Radiology and the chiropractic profession a legacy of unparalleled achievement as a role model and mentor for several generations of chiropractic radiologists. His name will always be associated with the incredible progress of chiropractic radiology in the 20th century. The Joseph W. Howe Oration in Diagnostic Imaging is designed to honor his extensive contributions to and achievements in the education, research and practice of chiropractic radiology.

LAWRENCE H. WYATT, DC, DACBR, FICC

Lawrence H. Wyatt, DC, DACBR, FICC,

graduated as a chiropractor in 1984 from Logan College of Chiropractic. He was a radiology resident from 1984 to 1987 at the Whittier Health Center Division of Los Angeles College of Chiropractic (LACC), now known as Southern California University of Health Sciences. Dr. Wyatt trained under Dr. Joseph W. Howe and became a board certified chiropractic radiologist in 1988. In 1988 he began teaching at Texas Chiropractic College, located in Houston, TX and currently holds the rank of Professor/Senior Faculty, Division of Clinical Sciences. Additionally, Dr. Wyatt has a Private Practice of Diagnostic Radiology in Houston, TX. He serves on the Editorial Board for the Journal of the American Chiropractic Association and Topics in Integrated Health Care: An International Journal.
