Chesterfield, Missouri**

JOSEPH W. HOWE, DC, DACBR, Fellow, ACCR

There are few members of the American Chiropractic College of Radiology whose careers have been as influential as that of Joseph W. Howe, DC, DACBR. For more than five decades, Dr. Howe, has distinguished himself by his contributions as a clinician, radiologist, educator, researcher, and mentor in the field of modern chiropractic radiology. His passion for academic excellence, critical scientific insight and professional advancement has left an indelible impact on the chiropractic profession. His influence is felt daily by the numerous residents, whom he has trained, and who themselves have become inspirational leaders in the chiropractic profession. Today, Dr. Howe still enjoys what he cherishes the most, teaching, as he routinely shares his vast clinical and radiological knowledge base with interns and residents at Logan College of Chiropractic. Dr. Joseph W. Howe has given the American Chiropractic College of Radiology and the chiropractic profession a legacy of unparalleled achievement as a role model and mentor for several generations of chiropractic radiologists. His name will always be associated with the incredible progress of chiropractic radiology in the 20th century. The Joseph W. Howe Oration in Diagnostic Imaging is designed to honor his extensive contributions to and achievements in the education, research and practice of chiropractic radiology.

VICTOR TONG, DC, DACBR

Victor Tong, DC, DACBR, graduated from Logan College of Chiropractic in 1979. Dr. Tong is the first resident who started and completed a radiology residency program with Dr. Joseph Howe at Los Angeles College of Chiropractic (LACC). Dr. Tong has been teaching faculty at Southern California University of Health Sciences (formerly LACC) and Cleveland Chiropractic College in Los Angeles for more than 31 years. Additionally, he teaches post-graduate seminars on weekends. He maintains a private x-ray consultation practice in Southern California.
