*"This is the best hands-on anatomy
experience in St. Louis!"*

*"This workshop is a great experience
for those interested in the
medical and healthcare field."*

*"Action packed with amazing
experiences I could not
get anywhere else."*

*"I'm hoping to study pre-med in college
to be an orthopedic surgeon or
prosthetist. This workshop provided
a great overview of anatomy and
laid the foundation for everything
we will learn moving forward"*

*"I've always been interested in the
surgical profession, and this experience
helped me realize it might be what
I want to do in the future."*
